The work reported on in this publication has been financially supported by the European Science Foundation (ESF) in the framework of the Research Networking Programme *PALATIUM. Court Residences as Places of Exchange in Late Medieval and Early Modern Europe (1400–1700)*, 2010–2015.

The **European Science Foundation** was established in 1974 to provide a common platform for its Member Organisations to advance European research collaboration and explore new directions for research. It is an independent organisation, owned by 67 Member Organisations, which are research funding organisations, research performing organisations and academies from 29 countries. ESF promotes collaboration in research itself, in funding of research and in science policy activities at the European level. Currently ESF is reducing its research programmes while developing new activities to serve the science community, including peer review and evaluation services.

PALATIUM is supported by 14 organisations from 11 countries: Austrian Science Fund (FWF) • Austrian Academy of Sciences (ÖAW) • Research Foundation Flanders, Belgium (FWO) • Czech Science Foundation (GACR) • Academy of Sciences of the Czech Republic (ASCR) • Danish Agency for Science, Technology and Innovation (FI) | The Danish Council for Independent Research | Humanities (FKK) • National Centre for Scientific Research, France (CNRS) • German Research Foundation (DFG) • Netherlands Organisation for Scientific Research (NWO) • Foundation for Science and Technology, Portugal (FCT) • Slovak Academy of Sciences (SAV) • Slovak Research and Development Agency (APVV) • Carlos de Amberes Foundation, Spain (FCA) • Swedish Research Council (VR).
