## About the Authors

Gernot Burkhardt  <https://orcid.org/0000-0002-9488-5553>, né Klein, born 1951 in Heidelberg, school attendance in Mannheim to the general qualification for university entrance, studied astronomy in Heidelberg, worked until his retirement at Astronomisches Rechen-Institut in Heidelberg mainly in the Bibliography group and the project DMPN by Lutz D. Schmadel since its beginning in 1988. For the now published 10 editions about names of Minor Planets he steadily developed the database further and was responsible for the production of the books.

Lutz D. Schmadel (1942–2016), astronomer and computer of orbits and ephemerides of minor planets at Astronomisches Rechen-Institut, Heidelberg, has discovered more than 230 minor planets. He founded the DMPN and authored the first six editions on behalf of Commission 20 of the International Astronomical Union (IAU). As member of the IAU he was affiliated to several divisions and commissions including Division III Commission 20 (Positions & Motions of Minor Planets, Comets & Satellites), Commission 5 (Documentation & Astronomical Data), Commission 41 (History of Astronomy), as well as the Committee on Small Bodies Nomenclature (CSBN).
