

FOREWORDS

It is certainly a pleasure for me to extend my thanks in my capacity as a representative of the Ministry of Tourism and Antiquities and the Museums Sector for the joint project between Hildesheim and Minia University and all those in charge of the training project at the Mallawi Museum.

Thanks and appreciation for your great efforts in what was presented to the Mallawi Museum.

I certainly hope that cooperation will continue at all levels to transfer and exchange experiences with the working teams of the Egyptian museums, I hope that the experience will be repeated again, and I am grateful to all of you.
